## Professional Experience

WEB DEVELOPER INTERN-BEGINNER LEVEL | Online internship

MAR 2023 - Apr 2023 | Online

- I significantly expanded my technical skills in web development during this internship. By working on **real-world projects**, I **gained hands-on experience** and expertise in creating responsive and user-friendly websites.
- I achieved these accomplishments through dedicated effort and practical application of my skills in **HTML, CSS**.

WEB DEVELOPER INTERN-INTERMEDIATE LEVEL | Online internship

Sep 2024- Oct 2024 | Online

- This is my Next level internship of Web development .
- During my internship, I significantly enhanced my skills, specializing in HTML, CSS, and JavaScript .
- Designed and developed a personal portfolio website, created a temperature converter application, and contributed to crafting a captivating landing page for a new product launch.

## SIMPERY PVT LTD, MADURAI
